

FAITH • FILLED GENEROSITY

*Like good stewards of the manifold grace of God, serve one another
with whatever gift each of you has received. – 1 PETER 4:10*

November 1, 2020

Dear Friends,

This year has reminded us in so many ways of the strength and closeness of our community. Even in the months in which we have been physically distant and unable to gather in person, the Spirit kept us together, connecting us. We continue following the Gospel call to live in love with our neighbors, finding ever new ways to seek and serve Christ in all people.

I want to share two stories about particular moments this year in which our generosity of spirit and strength was clear. In the midst of this pandemic, we found a way to stay connected by forming Caring Circles, and our leaders have devoted themselves to stay in touch with you. We also remain connected to the community through our outreach ministries, such as with our sponsorship of the NKY Community Action Commission's Black History Walk last month. These are two of the many stories that speak to the love we bear for each other and the world around us.

As we look to the year to come, we are more committed than ever to the ministry and love we share with our community and our neighbors. Our ministry is funded through the gifts of its members — your generous offerings given in grace and love. This year we are asking for every member to take part in our stewardship campaign by making a pledge. Included with this letter are materials for making your gift and learning more about opportunities to get involved and participate in our congregation.

We have been hearing messages of faith-filled generosity as we move through the weeks of this year's stewardship season. The Gospel is rich with examples of how our faith kindles our love for each other and our Christian responsibility to share our love with the world. I invite you and your household to pray and learn, taking these weeks to consider how your generous response to God's call has been shaped by this community and the friends who gather with you. Thank you for being a part of Trinity and for your faithful, faith-filled gift to our annual campaign.

In the spirit of generosity and love,

Nancy Grayson, Senior Warden
